About PROJECT X

Project X is a 88m full custom superyacht of superlative standing. Project X offers the most indulgent and luxurious charter experience imaginable.

Built by Golden Yachts and launched in 2022, Project X was immediately acknowledged for her unique design and high number of lifestyle amenities, including an award-winning design beach club with spa facilities, a lounge and fold-down balconies at the water's edge. This innovative superyacht delights at every turn – the attention to detail and consideration given to maximising onboard enjoyment truly embodies what superyacht charter is all about.

This yacht's head-turning exterior profile is by Ken Freivokh Design and features cascading aft decks with a triple-X strip amidships. The artistic interior by Massari Design Studio can be described as contemporary with an art deco twist. Leather and marble are used throughout, and Project X has an impressive collection of Greek art onboard. Another notable aspect of her design is her triple-height glass atrium and lift, which runs from the bottom deck to the top and is the largest cylinder lift ever installed on a yacht.

Project X has nine cabins and can accommodate up to 12 guests. The forward-facing master suite enjoys direct access to a private deck with a Jacuzzi, there's a full beam VIP suite, and seven further cabins comprising 4ve doubles and two twins. The cabins on the upper deck can be adjoined to form larger suites.

The main saloon offers multiple seating options, a self-playing piano to set the ambience, and 1/2oor-to-ceiling glass panels that can be retracted to give access to the side decks. This area leads through to the formal interior dining room with adjoining library and a smaller intimate dining room. The upper deck offers an expansive second lounge in a circular arrangement, served by a statement bar counter.

Deck spaces include the sun deck which, as well as a Jacuzzi and bar counter, boasts a spacious fully equipped gym with 360-degree views. To aft on the main deck, Project X has an outdoor cinema setup, and a glass-edged swimming pool surrounded by sun loungers and exterior lounge furniture.

Spa facilities include a wellness suite with Hammam, sauna, beauty salon and massage room, and there's also a dedicated medical suite.
