Designed by award-winning interior designer Tara Bernerd, the 47m tri-deck motor yacht Orient Star offers a combination of elegance, relaxation, and adventure.

Built by CMB Yachts Turkey in 2012 and featuring rich materials, artworks, premium accessories and a monochromatic palette, Orient Star brings a fresh style to the luxury yachting experience for families and friends.

Orient Star's design and layout has been meticulously planned to provide an exceptional platform for entertaining and

vacations. The yacht has a spacious main saloon with a comfortable seating area and adjacent bar, and a modern dining room that can seat ten guests. A second saloon is located on the upper deck and provides panoramic views as well as an additional entertainment space and place where guests can relax and unwind in style.

Orient Star offers luxurious accommodation for 10 guests. The master suite is on the main deck and boasts floor-to-ceiling windows, a study area, walk-in wardrobe, and a spacious ensuite bathroom. The remaining four cabins (all en suite) are located around the central lobby on the lower deck, and the configuration comprises two doubles and two twins.

Guests aboard Orient Star can enjoy top gastronomy combined with the ultimate dining experience, with a professional chef on-hand to prepare everything from breakfast banquets and indulgent al fresco lunches to formal dinners and late-night suppers. Dine on the aft deck where a large dining table resides.

With an outdoor bar, exterior lounge seating, and an inviting Jacuzzi surrounded by comfortable sun pads, Orient Star's large sundeck is the location of choice for socialising, relaxing, and lounging in the sunshine.
